WHAT TO EXPECT

Innovator Showcase: Hear directly from innovators: solutions offered, reach, and partnerships needed

Partner Workshops: Learn how 12 leading organizations operate and explore partnership opportunities through 1-hour presentations

Digital Health Investment Roundtable: Closed discussion on gaps, barriers, and opportunities in healthtech investments

Partnership Meetings: ~8 hours of dedicated time for 1-on-1 & group meetings that can be prescheduled using the event app

Partnership Spotighting: Discover new partnerships with i3 innovators via exclusive announcements and an expert panel discussion

Networking: Build long-lasting and trusted relationships over 2 days

Well-executed event! It was an **eye-opener** to the healthtech space in Africa and the innovative solutions our startups are building toward universal healthcare access. Looking forward to more.

Top-class event. I came to find distribution partners and **connected** with several promising prospects.

Extremely productive. We've signed one MOU, are negotiating another, sent a proposal to a major research institute, and have follow-up discussions scheduled with multiple potential partners.
